

The Adventure Riders / Adventure Palooza scholarship is available to any senior in high school with a declared program of study or recent graduate enrolled in a program of study. The primary intention of this scholarship is to support students who are pursuing a skilled industrial arts program and certification. The second criteria is persons connected with the adventure of riding, camping, and/or outdoor recreation. In particular we are interested in those who have made a consistent commitment to building these skills in themselves and others, and who are likely to carry on a lifetime passion for adventure and responsible use of the outdoors. Applicants meeting the criteria described above will be given preference, however this scholarship is open to all students in good standing & all fully completed applications will be considered.

TECHNICAL INFORMATION:

Scholarships will be awarded on the basis of applicant essay, relevance to the criteria of described, and Adventure Riders vote!

All completed applications will be processed and ranked according to criteria (listed above) by Adventure Riders LLC, with final selection by vote of past and present Adventure Palooza participants according to the essay submitted in this application. At least one \$1000 and one \$500 scholarship is guaranteed.
